

 <p><b>The University of British Columbia Board of Governors</b></p>	<b>Policy No.:</b>  <p style="text-align: center;"><b>87</b></p>	<b>Approval Date:</b> July 1993 <b>Last Revision:</b> March 1995 [Anticipated April 2016]
	<b>Responsible Executive:</b> Vice-President, Research and International	
<b>Title:</b> <span style="float: right;"><b>Research</b></span>		
<b>Background &amp; Purposes</b> <p>A core function of UBC is the pursuit and dissemination of discovery and knowledge through research and enquiry. This Policy aims to set out the responsibilities and standards required of UBC Persons involved in Research and to articulate the authority, requisite processes, and requirements surrounding various aspects of Research activity undertaken by UBC and UBC Persons.</p> <p>Related Policies, Materials and Notes:</p> <ul style="list-style-type: none"> <li>Policy 9 - Hazardous Materials Management</li> <li>Policy 10 - Procedures for Working with Biohazardous Materials</li> <li>Policy 11 - Radiation Safety</li> <li>Policy 85 - Scholarly Integrity</li> <li>Policy 88 - Inventions and Discoveries</li> <li>Policy 89 - Research Involving Human Participants</li> <li>Policy 90 - Over- Expenditure on Research and Specific Purpose Trust Project / Grants</li> <li>Policy 97 - Conflict of Interest and Conflict of Commitment</li> <li>Policy 114 – Fundraising and Acceptance of Donations</li> </ul>		

## POLICY

*Defined terms are capitalized in this Policy and Procedures.*

### Scope

- 1.1 Research and academic enquiry is the foundation of discovery and knowledge creation and can directly improve the collective global condition. Research flourishes in circumstances of academic freedom; where researchers are free to investigate and enquire in an attempt to understand and discover, free to challenge conventional thought, and free to disseminate the results of their research.
- 1.2 Academic freedom is one of UBC's core values and UBC Researchers may pursue any avenue of enquiry subject to the law and UBC policies.

- 1.3 This Policy applies to all UBC Persons who conduct, supervise or otherwise participate in Research ("**UBC Researchers**").
- 1.4 UBC Researchers are responsible for the conduct and consequences of their Research activities and must comply with this Policy and any other Funding Terms, including those set out in the Procedures.
- 1.5 "**Funding Terms**" means the policies, rules and regulations that govern the use of Research Funds. They may come from various sources including UBC policies, the terms and conditions of an application for Research Funds, the provisions of a contract for Research Funds, or the policies of the organization providing the Research Funds.
- 1.6 "**Principal Investigator**" means the person who has primary responsibility for the design, conduct and supervision of a Research project. The Principal Investigator is normally the person identified as such to the funding agency and will normally be delegated Research Spending Responsibility over any Research Funds spent for a Research project.
- 1.7 "**Provost**" means, as applicable, the Provost and Vice Principal – UBC Okanagan or Provost and Vice-President Academic – UBC Vancouver.
- 1.8 "**Research**" means any disciplined enquiry or systematic investigation intended to extend knowledge or to establish facts or principles that is:
- 1.8.1 conducted by UBC Persons acting in their UBC capacity; or
  - 1.8.2 conducted with the authorization of UBC using resources of UBC including but not limited to:
    - (A) space that is under the administration of UBC including academic space at affiliated teaching hospitals;
    - (B) funds held in a UBC research account or that have been transferred to an affiliated institution (for example a teaching hospital) from a UBC research account; and
    - (C) administrative or support units,
- but does not include internal quality assurance and quality improvement studies, program evaluation activities and performance reviews, or testing within normal educational requirements when used exclusively for UBC's internal assessment, management or improvement purposes.
- 1.9 "**Research Funds**" means any funds for the use of a UBC Researcher in support of Research, including funds directed to UBC through third party donations, grants, awards and other contractual funding arrangements and internal UBC funding directed to support Research.
- 1.10 "**UBC Person**" means full-time and part-time faculty members, students, and staff members of UBC and any other person who is employed by, holds an appointment at, or otherwise participates in scholarly activity at or under the auspices of UBC or under the supervision of a UBC Researcher. For greater certainty, UBC Persons include but are not limited to students, adjunct and clinical faculty, librarians, lecturers, post-doctoral fellows,

faculty on study leave, emeritus professors, honorary professors, research associates, staff members, volunteers, and visiting scholars.

- 1.11 **“University Veterinarian”** means the veterinarian employed by UBC Animal Care Services to manage UBC’s veterinary services for UBC’s Animal Care and Use Program.

**2. General**

- 2.1 Support for Research may arise from various sources including government, industry, and other granting organizations. Only UBC has the legal authority to enter into contracts or commitments which are binding on UBC and such contracts or commitments must be executed by a delegated signing officer. No UBC Person can sign contracts on behalf of UBC unless they have been delegated that authority by the UBC Board of Governors pursuant to a Board of Governors Policy or pursuant to a Signing Resolution issued by the Signing Committee of the UBC Board of Governors.
- 2.2 Every application for external Research Funds (including renewals of prior awards) must be approved by the Responsible Executive or his or her delegate in accordance with the processes and procedures maintained by the Office of Research Services and the University-Industry Liaison Office.
- 2.3 Research Funds are held by UBC and are not the property of any individual UBC Researcher. Anything purchased with Research Funds becomes the property of UBC.
- 2.4 UBC wishes to facilitate discovery and the development and dissemination of knowledge. Accordingly, the results of all Research must be fully publishable at the discretion of UBC Researchers, subject only to the limited exceptions set out in the Procedures.

## PROCEDURES

Approved: July 1993

Revised: [Anticipated April 2016]

*Pursuant to Policy #1 – Administration of Policies, “Procedures may be amended by the President, provided the new procedures conform to the approved policy. Such amendments are reported at the next meeting of the Board of Governors.” Note: the most recent procedures may be reviewed at <http://universitycounsel.ubc.ca/policies/index/>.*

### 1. **Administration**

- 1.1 The Responsible Executive will be the Vice President Research and International who will have the responsibility for the administration of this Policy and these Procedures.
- 1.2 The Responsible Executive may sub-delegate duties hereunder but remains responsible for oversight and answerable to the President.
- 1.3 The Responsible Executive may issue and maintain administrative directives (“Directives”) which conform to this Policy and these Procedures. Prior to creating or substantively revising a Directive the Responsible Executive will establish an advisory committee which will consist of representatives from the Office of the University Counsel and the units responsible for the subject matter of the Directive. The advisory committee will provide advice to the Responsible Executive on the form and content of the applicable Directive. All Directives can be found at <http://universitycounsel.ubc.ca/files/2014/03/policy87.pdf>.

### 2. **Responsibilities**

- 2.1 UBC Researchers are responsible for the conduct and consequences of their Research activities. They must comply with, and ensure any Research with which they are involved complies with this Policy, these Procedures, and any other requirements of UBC or the funding agency sponsoring the Research. To this end UBC Researchers must:
  - 2.1.1 ensure all Research is conducted to the highest scientific, ethical, and professional standards, and in accordance with Policy #85 (Scholarly Integrity);
  - 2.1.2 ensure any proposed or resulting Research involving human subjects complies with Policy #89 (Research and Other Studies Involving Human Subjects);
  - 2.1.3 ensure any proposed or resulting Work with Animals complies with the policies of the ACC and the other requirements necessary to maintain the UBC GAP Certificate;
  - 2.1.4 ensure any proposed or resulting Research is conducted safely in accordance with all applicable laws, regulations, and in accordance with the safety policies of UBC including without limitation UBC policies governing the safe use of equipment, biohazardous materials, radioactive materials, and certain chemical materials;
  - 2.1.5 ensure they comply with all Funding Terms;
  - 2.1.6 ensure all Research Funds are properly managed, including by ensuring all expenditures authorized against UBC accounts conform with the approved budget

and with UBC policies on financial management including Policy #90 (Over-Expenditure on Research and Specific Purpose Trust Project/Grants);

- 2.1.7 where they have Research Spending Responsibility for a UBC research account, notify the Responsible Executive immediately upon becoming aware of any circumstances which could: (i) hinder or prevent the satisfactory completion of the Research project related to such research account; or (ii) impact the UBC Researcher's eligibility for Research Spending Responsibility;
  - 2.1.8 ensure they and all aspects of the Research project are compliant with UBC's Policy #97 (Conflict of Interest and Conflict of Commitment);
  - 2.1.9 inform themselves of the regulatory framework relevant to their Research;
  - 2.1.10 where they wish to mobilize the results of Research, to do so in accordance with UBC Policy #88 (Inventions and Discoveries); and
  - 2.1.11 where they are the Principal Investigator, ensure all members of the Research team are aware of and comply with the foregoing requirements.
- 2.2 UBC is committed to providing an environment that supports UBC Researchers and fosters the best Research practices. In that regard the Responsible Executive has established offices responsible for:
- 2.2.1 the negotiation of Research contracts between UBC and public sector contracting agencies, industry, or any other third parties;
  - 2.2.2 the negotiation of licences and other agreements which deal with UBC owned intellectual property;
  - 2.2.3 accepting and administering awards of Research Funds secured in accordance with the requirements of this Policy and these Procedures;
  - 2.2.4 maintaining the research ethics boards necessary to review and maintain oversight of the ethical acceptability of Research involving human participants; and
  - 2.2.5 maintaining the UBC GAP Certificate in order to meet certain Research funding eligibility requirements.

### **3. External Funding**

- 3.1 **Applications** - Every application for external Research Funds (including renewals of prior awards) must be approved by the Responsible Executive or delegate in accordance with the processes and procedures maintained by the Office of Research Services and the University-Industry Liaison Office. Guidance about which units at UBC are responsible for obtaining the appropriate signatures on applications for external Research Funds can be found on the website maintained by the Office of Research Services. Copies of every application for external Research Funds and a complete and properly signed application package must be provided to the Office of Research Services before the application can be considered and, if approved, signed by UBC. UBC may refuse any award of Research Funds arising from an application not properly approved by UBC.

- 3.2 **Signing Contracts** - No UBC Person can sign contracts on behalf of UBC unless they have been delegated that authority by the UBC Board of Governors pursuant to a Board of Governors Policy or pursuant to a Signing Resolution issued by the Signing Committee of the UBC Board of Governors. UBC may refuse any award of Research Funds arising from a contract not properly signed. UBC Persons must ensure that all contracts are properly signed. Guidance about which units at UBC are responsible for obtaining the appropriate signatures on contracts related to Research Funds can be found on the website maintained by the Office of Research Services.
- 3.3 **Personal Contracts** – If a UBC Person chooses to enter into a contract directly with a third party then the contract is the personal responsibility of that UBC Person. UBC is not liable for any obligations that may arise under a personal contract entered into between a UBC Person and a third party. UBC will not accept such contracts or any monies payable under such contracts for administration. No UBC facilities or UBC resources may be used for work carried out under such contracts. Any UBC Person entering into a personal contract must comply with UBC Policy #97 (Conflict of Interest and Conflict of Commitment).
- 3.4 **Approval of Funding** – When funding has been approved by a funding agency the Principal Investigator is responsible for providing the Office of Research Services with a copy of any documents containing the Funding Terms from the funding agency unless they have already been sent to the Office of Research Services directly by the funding agency.
- 3.5 **Donations** - Funds for Research are periodically received in the form of donations and thus formal grant applications may not exist. Donations are to be processed through the Development Office in accordance with UBC Policy #114 (Fundraising and Acceptance of Donations). Donation documents containing Funding Terms will be sent to the Office of Research Services by the Development Office.
- 3.6 **Indirect Cost Recovery** – The Responsible Executive may establish requirements for the recovery of the indirect cost of research from Research Funds.

#### **4. Administration of Research Funds**

4.1 **Eligibility for Research Spending Responsibility** – All Research Funds are received by UBC and deposited into UBC research accounts. UBC delegates to eligible UBC Persons the responsibility for ensuring that these research accounts are managed properly and in accordance with UBC policies, Funding Terms, and any other applicable requirements (“Research Spending Responsibility”). The following UBC Persons are eligible for Research Spending Responsibility:

4.1.1 UBC Persons who have a tenure stream faculty appointment as a Professor, Associate Professor, Assistant Professor, Instructor, Senior Instructor, or Professor of Teaching or comparable Emeritus status;

4.1.2 UBC Persons who have a faculty term appointment without review as a Professor, Associate Professor, Assistant Professor, Instructor, Senior Instructor, Professor of Teaching, Adjunct Professor, Clinical Professor, Clinical Associate Professor, Clinical Assistant Professor or Research Associate provided that they also have the prior written approval of both the appropriate Department Head and Dean;

4.1.3 Librarians who have the prior written approval of the University Librarian; or

4.1.4 Post-Doctoral Fellows who have the prior written approval of both the appropriate Department Head and Dean, but only where the Funding Terms for the research project specifically require it.

Research Spending Responsibility will not be granted to students or visitors. UBC Persons with positions not addressed above will require the written approval of both their Department Head and Dean (as applicable) and the Provost prior to being granted Research Spending Responsibility.

4.2 The Office of Research Services or the University-Industry Liaison Office (as applicable) must ensure that all persons granted Research Spending Responsibility are legally bound to comply with UBC policies, rules and procedures on the conduct of Research before such authority can be granted.

4.3 **Opening and Amending Accounts** - No payment may be made from any Research Funds until the opening of a financial research account (or the amendment of an existing account) has been authorized in writing by the Office of Research Services or the University-Industry Liaison Office. Requests for new accounts or amendments, such as budget increases to existing accounts must be made in writing in accordance with the processes implemented by the relevant office.

4.4 **Delegation of Research Spending Responsibility** - UBC Researchers given Research Spending Responsibility for a UBC research account may delegate their authority to approve expenditures from such research account to another UBC staff or faculty member provided that their Department Head is notified in writing of the delegation. For clarity, any UBC Researcher with Research Spending Responsibility who delegates authority will be responsible for ensuring all transactions in such research account, including all expenditures approved by the person(s) with delegated authority, are fully compliant with Funding Terms, University policies and any other applicable requirements.

4.5 **Payment of Funds** - Any Research Funds must be payable directly to UBC. UBC Researchers must not accept funds in support of Research directly. In the event Research

Funds are received directly by UBC Researchers such funds should be forwarded to the Vice President, Research and International Portfolio Finance Group for deposit into a UBC account.

- 4.6 **Responsibility for Financial Statements** - Financial statements or claims, if required by the sponsoring agency, will be prepared by the finance group within the portfolio of the Vice President, Research and International on the basis of their records. The Responsible Executive may authorize certain UBC employees, or classes of employees, to issue and sign financial statements or claims on behalf of UBC. UBC Researchers may request amendments to such statements or claims if it can be established, with supporting evidence that the statements or claims are in error.
- 4.7 **Payments to Employees** - All payments for services to UBC employees (in their capacity as employees) must be paid through the UBC payroll system managed by UBC Payment and Procurement Services. Budgets must account for required source deductions and employee benefits.
- 4.8 **Payments to Independent Contractors** - All payments for services in support of UBC Research made to independent contractors (incorporated or unincorporated) must be paid in accordance with UBC Payment and Procurement Services' processes.
- 4.9 **Purchase of Equipment and Supplies** – All purchases of equipment and supplies for UBC Research must be made in accordance with UBC Payment and Procurement Services' processes.
- 4.10 **Travel Expenses** - Travel expenses incurred for UBC Research must be incurred and reimbursed in accordance with UBC's Policy #83 (Travel and Related Expenses).
- 4.11 **Honoraria** – The execution or approval of any applications, grants, donations, or contracts between UBC and a third party that involves the payment of honoraria to UBC Persons must be approved in writing by:
- 4.11.1 the Head of Department or Director of the UBC Person; and
- 4.11.2 the Dean of the UBC Person (where applicable)
- Where such approval has been obtained, UBC signing officers are authorized to sign or approve such applications, grants, agreements or contracts on behalf of UBC, and UBC staff are authorized to pay such honoraria (in accordance with UBC procedures), subject to the caveat below. Where honoraria for a UBC Person from all third party sources (contracts, grants, etc. whether the funding source is Research related or otherwise and whether the honorarium is for Research activities or otherwise) exceeds one-sixth of the UBC Person's total compensation (less benefits) from UBC during the annual period July 1 to June 30, then the approval in writing of the Provost is also required in addition to the approvals listed in section 4.11.1 and 4.11.2.
- 4.12 **Separate Accounts** – Research Funds from different sources may not be placed in the same UBC account. Transfers between accounts may only be made if a) the transfer is permitted by all applicable Funding Terms and b) is permissible pursuant to the policies and procedures of UBC's Department of Finance.

## 5. **Publication**

5.1 The results of all Research must be fully publishable at the discretion of the UBC Researchers subject only to the restrictions outlined in sections 5.2 to 5.5 of these Procedures.

5.2 **Sponsor Requirements** - A Research funding sponsor may be given the right under the Funding Terms of a contractual agreement to have the initial right to publish Research results, or to review such publication in advance. Funding Terms must ensure that UBC is completely free to publish the Research results, typically within 90 days but in all cases, no later than 12 months after termination of the project or submission of the final report, whichever is later. Delays in publication at the request of a Research sponsor are permissible only if the public interest is best served by such a delay or if patent protection is being sought.

5.3 **Fee-for-Service Work** - UBC may, upon the request of the relevant Principal Investigator, enter into agreements with third parties to provide such third parties access to unique UBC research related expertise and facilities on a fee-for-service basis ("**Fee-for-Service Projects**"). Under a Fee-for-Service Project, UBC may relinquish the right to retain and use data from the Fee-for-Service Project and the right of the UBC Researchers to publish the results. Fee-for-Service Projects must typically meet the following criteria:

5.3.1 they involve routine use of research equipment or facilities;

5.3.2 they are not supported directly by external Research Funding other than the funds provided by the third party funding the Fee-For-Service-Project;

5.3.3 they do not include the participation of any students in their thesis related Research;

5.3.4 the UBC Researcher(s) involved have confirmed that they do not wish to retain data or publish the results of the work undertaken; and

5.3.5 the UBC Researcher(s) involved have no conflict-of-interest with the third party funding the Fee-For-Service-Project.

The Responsible Executive has the authority, in the event of a disagreement, to determine whether a project is a Fee-for-Service Project.

5.4 **Theses** - No restriction shall prohibit or delay in any way the use of Research results by graduate students for theses or other academic purposes except in the circumstances outlined in section 5.2 with the written consent of the student prior to the student's involvement in the relevant research project.

5.5 **Confidential Data** - If, under the terms of a funding agreement, a sponsor agrees to provide data essential to the Research which is clearly labeled as confidential data, UBC may with the consent of the Principal Investigator accept such a contract and observe such confidentiality obligations provided that the results of the Research may be published without identifiable reference to the confidential data and that no limitations are placed on the publication of results other than those outlined in this section 5.5.

## 6. **Working with Animals in Research and Teaching**

- 6.1 **Canadian Council on Animal Care** – UBC is the holder of a Good Animal Practice Certificate (“**UBC GAP Certificate**”) issued by the Canadian Council on Animal Care (“**CCAC**”). To ensure UBC is in compliance with the standards required to maintain the UBC GAP Certificate, UBC operates an Animal Care and Use Program which includes an Animal Care Committee (“**ACC**”) that reports to the Responsible Executive, with Terms of Reference consistent with those mandated by the CCAC. Copies of the policies of the ACC may be found at [www.animalcare.ubc.ca](http://www.animalcare.ubc.ca). All Research or teaching involving animals at UBC or governed by the UBC GAP Certificate (“**Work with Animals**”) must comply with ACC policies and the animal use protocol approved by the ACC for such Research or teaching.
- 6.2 **Responsibility of User** – Work with Animals is a privilege granted to certain UBC Persons. It is the responsibility of each UBC Person involved in Work with Animals to ensure such Work with Animals meets high scientific standards and, in the case of teaching, has pedagogical merit.
- 6.3 **Animal Care Committee** - The Responsible Executive has delegated to the ACC the authority to implement and enforce policies to ensure compliance with any requirements necessary to maintain the UBC GAP Certificate including the authority to approve, monitor and intervene in any Work with Animals conducted at UBC or governed by the UBC GAP Certificate including the procurement and living conditions of the animals.
- 6.4 **Responsibility of UBC Veterinarians** - The ACC may delegate portions of its authority to veterinarians operating under the direction of UBC's Animal Care and Use Program (“**UBC Veterinarians**”). Such delegated authority may include the authority to:
- 6.4.1 inspect, at his or her discretion, all animal facilities involving animals under the control of UBC or governed by the UBC GAP Certificate to ensure that standards of housing and care are uniformly acceptable;
  - 6.4.2 review and advise UBC Persons on methods of facility maintenance and use;
  - 6.4.3 advise on the design of new and renovated animal facilities; and
  - 6.4.4 co-ordinate the basic training of UBC Persons who Work with Animals.
- UBC Veterinarians have been delegated the authority in an emergency to treat, remove from a study, or otherwise intervene in Work with Animals and to proceed with any necessary emergency measures.
- 6.5 **Animal Facilities** – No animal facilities under the control of UBC or governed by the UBC GAP Certificate may be constructed or renovated until the Responsible Executive or, where such authority has been delegated, the University Veterinarian has approved the design of such construction or renovation.
- 6.6 **Acquisition of Animals** - The acquisition of animals to be used in Work with Animals must be approved by the ACC and carried out in accordance with the processes and procedures maintained by Animal Care Services.

**7. Reporting of Concerns**

- 7.1 UBC will consider allegations of non-compliance with this Policy or these Procedures made against those to whom this Policy applies and, where appropriate, investigate such allegations. Such investigations will be conducted in accordance with UBC's processes and principles. In the event the allegations relate to matters addressed by another UBC policy or its procedures, the investigation will be conducted in accordance with the policy deemed most suitable by UBC.

UBC Persons are expected to report in good faith any information pertaining to possible non-compliance with this Policy and these Procedures to UBC, and must cooperate fully with UBC in any process under this Policy. UBC will not tolerate any retaliation against anyone who, in good faith, makes an allegation, gives evidence, or otherwise participates in a process under this Policy.
