Title:
Appointments and Extension of Appointments for Heads of Academic Units

Background and Purpose:
To confirm the authority and terms of appointment of the Head of an Academic Unit and to establish the procedures for the appointment and extension of appointment for a Head of an Academic Unit, which include appropriate consultation within the Academic Unit and consideration of the future needs of the Academic Unit.

1. Definitions and Interpretation Rules

1.1. A schedule to this Policy establishes the definitions of terms used in this Policy and any unique rules of interpretation that apply to this Policy.

2. Scope

2.1. This Policy applies to all appointments and extensions of appointments for Heads of Academic Units.

2.2. Selection of heads of academic departments and schools other than Academic Units may be in accordance with this Policy, as determined by the Responsible Executive.

3. Governing Principles

3.1. Authority for the appointment and extension of appointment of Heads rests with the Responsible Executive on the recommendation of the Dean. The Dean’s recommendation will include recommended terms and conditions of the appointment or extension of appointment.

3.2. A Head reports to his or her Dean. Responsibilities delegated by a Dean to a Head normally include: responsibility for the overall operation of the Academic Unit, including the budget; providing leadership of the administrative and intellectual life for the Academic Unit, including assigning teaching duties; continuing to advance the Academic Unit’s programs and activities; making recommendations to the Dean
on matters pertaining to the Academic Unit and representing the views of the Academic Unit to the Dean and the University at large; and such other duties as may be assigned by the Dean.

4. Appointments

4.1. Heads may be appointed for terms of up to five years.

4.2. A Dean will follow the process for the appointment of a Head contained in the Procedures to this Policy.

5. Extension of Appointments

5.1. A Head will not normally serve more than 10 consecutive years.

5.2. Where a Head’s appointment is approaching expiration, the Dean will:

5.2.1. Ascertain whether the incumbent wishes to continue in the position beyond the expiration of his or her current appointment. If the incumbent does not wish to continue in his or her position beyond the expiration of his or her current term of appointment or if it is determined at any stage that an extension of the term of the incumbent should not be considered, the Dean will follow the process for the appointment of a Head contained in the Procedures to this Policy;

5.2.2. Follow the process for the extension of an appointment of a Head contained in the Procedures to this Policy, if the Dean believes it would be desirable to consider extending the incumbent’s appointment and if the length of the proposed extension is for a period of more than one year; and

5.2.3. Make a recommendation to the Responsible Executive as to whether it would be desirable to consider extending the incumbent’s appointment, the length of the proposed extension, and the terms and conditions of any such extension.

6. Pro Temp Appointments

6.1. Notwithstanding anything else in this Policy, the Responsible Executive may designate in writing that an individual, including the incumbent, take on the role of Head in a pro tem capacity where the incumbent’s appointment has ended and a successor has not yet taken office; provided however, that:

6.1.1. any such designation normally will not be for a period of more than 12 months; and

6.1.2. if successive designations are made, the aggregate length of the designations normally will not exceed 24 months.

In all cases, acceptance of the appointment must be confirmed in writing by the Head, a copy of which will be included with the Faculty Appointment Form.

2.4.1. Recognizing that administrative leave is intended to provide a reasonable period of time for administrators who are returning to the academic ranks to focus on their scholarly and professional activities and to re-integrate with their disciplines before they resume their regular duties as faculty members, the **Responsible Executive** will grant an administrative leave, with full salary and benefits, to the Head provided that:

2.4.1.1. administrative leave will only be granted to the **Head** where the Head actually returns to active duty as a faculty member for at least one year immediately after the period of the administrative leave; and

2.4.1.2. a **Dean**, in his or her discretion, may require a **Head** to set out the rationale for the administrative leave and how it will benefit the **Academic Unit/University** as well as the **Head**. A report on activities and progress during the administrative leave may be required upon completion of the administrative leave.

2.4.2. The duration of such administrative leaves will be eight months for successful completion of a three-year term and 12 months for successful completion of a five-year term.

2.4.3. Where the **Head** has been granted an administrative leave pursuant to Article 2.4 of these Procedures and the appointment of the **Head** is subsequently extended, any such administrative leave may be deferred and taken at the end of the extended term unless otherwise determined by the **Responsible Executive**. In addition, the **Responsible Executive** may, in his or her discretion, grant a further administrative leave, to be taken at the conclusion of the extended term; provided however that the total duration of administrative leaves granted in respect of an initial appointment and granted in respect of any extensions together must not exceed 18 months.

2.4.4. A faculty member who serves as **Head** will not lose any service time accrued towards a study leave prior to the appointment.

2.4.5. Where an administrative leave is granted, the time served as a **Head** and time taken on administrative leave will not be included in years of service for the purpose of calculating study leave.

2.4.6. During the period of administrative leave, the faculty member continues to be a full-time employee of the University, and is required to comply with the University’s policies and procedures.

2.4.7. Any arrangements with respect to administrative leave for a **Head** that were established and documented in writing prior to February 7, 2011 will not be affected by these Procedures.

2.4.8. Any exceptions to these Procedures dealing with administrative leave may only be made with the written approval of the **Responsible Executive**.

2.5. **Termination:** A **Head’s** appointment normally may be terminated upon 30 days written notice: by the **Responsible Executive** to the incumbent, following consultation with the **Dean**; or by the incumbent to the **Responsible Executive** and the **Dean**.
3. **Process for the Appointment of a Head**

3.1. For the appointment of a *Head*, the *Dean* will convene an *Advisory Committee*. The *Head* (or *Head pro tem*) will provide the *Advisory Committee* with a report of the Academic Unit’s accomplishments and challenges. The *Advisory Committee* will consider the *Head’s* report and the results of any recently completed review of the *Academic Unit*. The *Advisory Committee* will seek input from faculty members, students, and administrators within the *Academic Unit* and such persons from outside the *Academic Unit* as the *Advisory Committee* may deem appropriate.

3.2. The mandate of the *Advisory Committee* will be to advise the *Responsible Executive* on a candidate for appointment as *Head* and may also advise the *Responsible Executive* on matters of future priorities for the *Academic Unit*. The *Dean* will also provide advice to the *Responsible Executive* on these matters. The *Responsible Executive* will consider the recommendations of both the *Advisory Committee* and the *Dean*.

3.3. For clarity, this process does not apply to *pro tem* appointments made pursuant to Article 6 of the Policy.

4. **Process for Extension of Appointment of a Head**

4.1. Consideration for extension of an appointment will take place only if the *Dean* and the *Head* agree to consider an extension and the *Responsible Executive* authorizes the consideration.

4.2. For the extension of an appointment of a *Head*, the *Dean* will normally convene an *Advisory Committee* for the extension of an appointment of a *Head*.

4.3. The *Head* (or *Head pro tem*) will provide the *Dean* with a report of the Academic Unit’s achievements and challenges. The *Dean* or the *Advisory Committee*, as the case may be, will consider the *Head’s* report and the results of any recently completed review of the *Academic Unit*. Whether or not an *Advisory Committee* is established, the *Dean* will ensure that faculty members, students, and administrators within the *Academic Unit* are consulted and their comments considered.

4.4. If an *Advisory Committee* is established, its mandate will be to advise the *Responsible Executive* on the extension of an appointment of a *Head* and may also advise the *Responsible Executive* on matters of future priorities for the *Academic Unit*. The *Dean* will also provide advice to the *Responsible Executive* on these matters. The *Responsible Executive* will consider the recommendations of both the *Advisory Committee* and the *Dean*.

4.5. For clarity, this process does not apply to *pro tem* appointments pursuant to Article 6 of the Policy.

5. **Advisory Committees**

5.1. The *Dean* (or designate) will chair an *Advisory Committee* as a non-voting member.

5.2. The size of an *Advisory Committee* will be determined by the *Dean*.

5.3. At least 50% of the voting members of an *Advisory Committee* will be elected by and from tenured or tenure track faculty members from the *Academic Unit*, with the remainder to be appointed by the *Dean*. In making appointments, the *Dean* will attempt to provide for a diverse and balanced *Advisory Committee*. 
normally including representation from students and staff. The Dean must consult with the Responsible Executive before confirming his or her appointees to the Advisory Committee.

5.4. The Chair of an Advisory Committee will be responsible for calling meetings.

5.5. Meetings may be held face-to-face, via telephone conference, video conference or any means recommended by the Chair of the Advisory Committee.

5.6. The quorum required to transact business at meetings will be a majority of the members of the Advisory Committee.

6. Replacement of Advisory Committee Members

6.1. Vacancy or Inability to Participate: If a member of an Advisory Committee becomes unwilling or unable to serve as a member of the Advisory Committee before it has completed its work, the Chair, in consultation with the Responsible Executive, may appoint a replacement member. While the replacement member may be any person whose participation is expected to contribute significantly to the activities of the Advisory Committee, the usual practice is for the replacement member to be from the same stakeholder group as the person being replaced.

6.2. Student Status: If a student member of an Advisory Committee ceases to be a student at the University but remains willing and able to continue to serve as a member of the Advisory Committee, the Chair, in consultation with the Responsible Executive and the relevant student group, may permit the student to continue to serve or may appoint a replacement student member. Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a graduate student selected from the graduate students associated with a specific Faculty or College, the replacement student will be appointed from the graduate students associated with that Faculty or College.

6.3. If a replacement member is not appointed, the Advisory Committee may complete its work notwithstanding the vacancy.

7. Review

7.1. Reviews of Academic Units are expected to be performed at regular intervals.

7.2. Where a review is to be conducted, the Dean will arrange for the review of the Academic Unit, in the manner set out in the relevant Senate and Faculty policies.
