

 <p>The University of British Columbia Board of Governors</p>	<p>Policy No.: GA8</p>
<p>Long Title: Open, Closed and <i>In Camera</i> Meetings of the Board of Governors</p>	
<p>Short Title: Board Meetings Policy</p>	

1. Scope

- 1.1 This Policy applies to all meetings of the Board of Governors (the "Board") and Board committees (Committees).

2. Guiding Principles

- 2.1 The Board is committed to the principles of accountability and transparency to the students, faculty, staff, and alumni of the University and to the public which is served by the University. It is the intent of the Board to demonstrate this commitment by conducting its business at Board and Committee meetings, as much as possible, in open sessions.
- 2.2 Board decisions will only be made in accordance with official Board decision-making procedures at properly convened Board or Committee meetings or by means of electronic approval.

3. Process – Agenda Setting and Determination of Open/Closed

- 3.1 In developing agendas for Board or Committee meetings, as the case may be, the Chair of the Board, or Committee chair, as the case may be, will determine the designation of items for consideration in open, closed, or *in camera* session, at first instance and through consultation with Vice Chair(s), as applicable, and responsible member(s) of the Executive and the Board Secretary.
- 3.2 Decisions about which items of business are to be considered in open, closed, or *in camera* session will be made in accordance with the criteria set out below in section 4.
- 3.3 Meeting agendas will clearly indicate items for consideration in open, closed or *in camera* session. For closed sessions, the basis for closed designation of each agenda item will be indicated with reference to the excepted criteria and categories in section 4.
- 3.4 Notwithstanding the designation on the agenda for an item to be held in an open, closed, or *in camera* session, a Governor who wishes to discuss the classification of an item may raise the issue with the Board or Committee Chair, as applicable, in advance of a meeting. In addition, at any time and on the motion of any Governor entitled to attend the meeting, the Board or Committee may move into a closed or *in camera* session, as applicable, to discuss the

classification of an item, following which the Board or Committee Chair may re-classify the item. This provision is intended to be applied in a manner consistent with and in a way that upholds this Policy's commitments to the principles of transparency and accountability.

4. Criteria for Open, Closed, and *In Camera* Sessions
