Background & Purposes:

To establish procedures for considering the extension of appointments of the Registrar and Librarians.

1. Definitions and Interpretation Rules

1.1 A schedule to this Policy establishes the definitions of terms used in this Policy and any unique rules of interpretation that apply to this Policy.

2. Scope

2.1 General:

2.1.1 This Policy applies to all extensions of appointments of the Registrar, the University Librarian, and all other Librarians.

2.1.2 Librarians other than the University Librarian are appointed in accordance with the Collective Agreement between the University and the Faculty Association and the process for extending such appointments is governed by that Collective Agreement.

2.1.3 The appointment of the Registrar and the appointment of the University Librarian and any extensions thereof are subject to the approval of the Board of Governors. The President shall provide advice and recommendations to the Board of Governors on the selection and extension of the Registrar and the University Librarian.

2.1.4 An Advisory Committee is to be established at the call of the President to consider candidates for extension of an appointment as the Registrar and the University Librarian and to advise the President on recommendations to the Board of Governors.
3. **Stages**

3.1 Where a **Registrar**’s or **University Librarian**’s appointment is approaching expiration, the **Responsible Executive** will:

   3.1.1 Ascertain whether the incumbent wishes to continue in the position beyond the expiration of the incumbent’s current appointment; and

   3.1.2 Make a recommendation to the President as to whether it would be desirable to consider extending the incumbent’s appointment, the length of the proposed extension, and the terms and conditions of any such extension.

3.2 The President will consider the recommendation of the **Responsible Executive**.

3.3 If the President determines that it would be desirable to extend the incumbent’s appointment for one year or less, the President will make such recommendation to the Board of Governors. The Board of Governors normally will not authorize more than two such extensions.

3.4 If the President determines that it would be desirable to consider extending the incumbent’s appointment for more than one year, the President will convene an **Advisory Committee** as described in the Procedures and will consider the advice of the **Advisory Committee** in making a recommendation to the Board of Governors.

3.5 The President’s recommendation, which may include recommended terms and conditions of any extension, will be considered by the Board of Governors, which has the authority to extend the appointment of the **Registrar** or the **University Librarian** and to establish the terms and conditions for any such extension.

3.6 The Board of Governors will not authorize the extension of an appointment if it would result in the **Registrar** or the **University Librarian** serving more than 10 consecutive years.

3.7 If the incumbent does not wish to continue in the position beyond the expiration of the incumbent’s current term of appointment or if it is determined at any stage that an extension of the term of the incumbent should not be considered, the procedures for the recommendation and selection of candidates contained in the Registrar/Librarians Appointment Policy will apply.
4. **Pro Tem Appointments**

4.1 Notwithstanding anything else in this Policy or anything in the Registrar/Librarians Appointment Policy, the President may designate in writing that an individual, including the incumbent, take on the role of the **Registrar** or the **University Librarian** in a *pro tem* capacity where the incumbent’s appointment has ended and a successor has not yet taken office; provided, however, that:

4.1.1 any such designation normally shall not be for a period of more than 12 months; and

4.1.2 if successive designations are made, the aggregate designations normally shall not exceed 24 months.

4.2 For clarity, the stages outlined in Article 3 of this Policy do not apply to *pro tem* appointments.

   2. any sub-delegate of that assigned responsible individual(s) except to the extent that the power to delegate is specifically excluded in this Policy or in the appointment by the President.
PROCEDURES ASSOCIATED WITH THE
REGISTRAR/LIBRARIANS EXTENSION POLICY

Pursuant to the Regulatory Framework Policy, the President may approve Procedures or the amendment or repeal of Procedures. Such approvals must be reported at the next meeting of the UBC Board of Governors or as soon thereafter as practicable.

Capitalized terms used in these Procedures that are not otherwise defined herein shall have the meanings given to such terms in the accompanying Policy, being the Registrar/Librarians Extension Policy.

1. Assignment of Responsible Executive

1.1 The Responsible Executive will be the Provost and Vice-President, Academic (UBC Vancouver) in relation to matters regarding the University Librarian.

1.2 The Responsible Executive will be the Provost and Vice-President, Academic (UBC Vancouver) and the Provost and Vice-President, Academic (UBC Okanagan) in relation to matters regarding the Registrar.

2. Advisory Committee for the Extension of the Appointment of the University Librarian

2.1 The incumbent will provide the Advisory Committee with a report of accomplishments and challenges for review. The Advisory Committee will consider the incumbent’s report. The Advisory Committee will seek input from faculty members, students, and administrators. The Advisory Committee will also seek input from representatives of external bodies with which the University Librarian would normally interact. The mandate of the Advisory Committee will be to advise the President on extension of the incumbent’s appointment as University Librarian. The Advisory Committee may also advise the President on matters of future priorities for the library system.

2.2 For the University Librarian, the President will convene an Advisory Committee with the following membership:

2.3 **Senate Selections**: For Senators, the selection process is to be conducted in accordance with procedures satisfactory to the relevant Senate. Without limiting the generality of the foregoing, the Senate may authorize a committee (such as, for example, the Nominating Committee) to conduct the process or to simply nominate the Senators from that Senate.

2.4 For clarity, this process does not apply to *pro tem* appointments pursuant to Article 4 of the Policy.

2.5 **Elections**: The Registrar will determine the procedures and timelines for nominations and elections of members of **Advisory Committees**. The Co-Chairs of the Advisory Committee must consult with the President before confirming the composition of the Advisory Committee.

3.3 Senate Selections: For Senators, the selection process is to be conducted in accordance with procedures satisfactory to the relevant Senate. Without limiting the generality of the foregoing, the Senate may authorize a committee (such as, for example, the Nominating Committee) to conduct the process or to simply nominate the Senators from that Senate.

3.4 For clarity, this process does not apply to pro tem appointments pursuant to Article 4 of the Policy.

3.5 Elections: For elected members, the nominations and the elections are to be conducted in accordance with procedures satisfactory to the Co-Chairs. The Co-Chairs may authorize the incumbent Registrar or another person or entity to conduct the nominations and/or elections processes on their behalf notwithstanding the fact that the incumbent Registrar may be a candidate for appointment. If no individual is elected by the end of an election process, the Co-Chairs may appoint the requisite number of members from the applicable constituency.

4. Replacement of Advisory Committee Members

4.1 Vacancy or Inability to Participate: If a member of an Advisory Committee becomes unwilling or unable to serve as a member of the Advisory Committee before it has completed its work
the Chair or Co-Chairs, as applicable, in consultation with the President, may appoint a replacement member. While the replacement member may be any person whose participation is expected to contribute significantly to the activities of the Advisory Committee, the usual practice is for the replacement member to be from the same stakeholder group as the person being replaced. For example, if the member being replaced is a faculty member of a specific Faculty, the replacement member will normally be selected from the faculty members of that Faculty.

4.2 **Student Status:** If a student member of an Advisory Committee ceases to be a student at the University but remains willing and able to continue to serve as a member of the Advisory Committee, the Chair or Co-Chairs, as applicable, in consultation with the President and the relevant student group, may permit the student to continue to serve or may appoint a replacement student member. Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a student selected from the students registered at UBC Okanagan, the replacement student will be appointed from the students registered at UBC Okanagan.

4.3 If a replacement member is not appointed, the Advisory Committee may complete its work notwithstanding the vacancy.

5. **Customary Practices**

5.1 In making appointments to an Advisory Committee, including replacement appointments under Article 4 of these Procedures, the Chair will consider equity and will seek to include a diverse range of perspectives and experiences, such as from Indigenous and other underrepresented stakeholder communities.

6. **Procedure for Advisory Committee**

6.1 The Chair or Co-Chairs of the Advisory Committee, as applicable, will be responsible for calling meetings.

6.2 Meetings may be held face-to-face, via telephone conference, video conference or any means determined by the Chair or Co-Chairs of the Advisory Committee, as applicable.

6.3 The quorum required to transact business at meetings will be a majority of the members of the Advisory Committee unless otherwise determined by the Chair or Co-Chairs, as applicable.

7. **Remuneration**

7.1 If the form or amount of remuneration of the Registrar or the University Librarian is to be changed upon commencement of an extension, such change must be established and documented in writing at or before the effective date of the extension.

8. **Administrative Leaves**

8.1 Where the Registrar or the University Librarian has been granted an administrative leave pursuant to the Procedures established under the Registrar/Librarians Appointment Policy and
the appointment of the Registrar or the University Librarian is extended pursuant to this Registrar/Librarians Extension Policy, the Responsible Executive may, in his or her discretion, permit the Registrar or the University Librarian to defer up to a maximum of six months of administrative leave to be taken at the end of the extended term.

8.2 In addition to any administrative leave deferred pursuant to Article 8.1 of these Procedures, as part of the terms of an extension, the Registrar or the University Librarian may be granted further administrative leave, to be taken at the conclusion of the extended term, provided however that any such grant of further administrative leave as well as any remuneration and/or benefits to be received by the Registrar or the University Librarian during any such further administrative leave must be documented in writing at or before the effective date of the extension. Recognizing that administrative leave is intended to provide a reasonable period of time for senior administrators who are returning to the academic ranks to focus on their scholarly and professional activities and to re-integrate with their disciplines before they resume their regular duties as faculty members or Librarians, administrative leave will only be granted where the Registrar holds a tenured appointment or where the University Librarian holds a confirmed appointment, and he or she actually returns to active duty as a faculty member or a Librarian for at least one year immediately after the period of the administrative leave. Furthermore, the aggregate amount of administrative leave granted to the Registrar or the University Librarian, including both administrative leave granted in respect of an appointment and any further administrative leave granted in respect of any extensions, may not exceed 18 months.

8.3 If an administrative leave is granted, time served as a Registrar or University Librarian and time taken on administrative leave will not be included in years of service for the purpose of calculating study leave.

8.4 During the period of administrative leave, the Registrar or University Librarian continues to be a full-time employee of the University, and is required to comply with the University’s policies and procedures.

8.5 Any arrangements with respect to administrative leave for a Registrar or University Librarian that were established and documented in writing prior to April 5, 2011 will not be affected by these Procedures.

8.6 Any deviations from the Articles of these Procedures dealing with administrative leave may only be made with the written approval of the President.
